- Publicity of its function as Market Maker: LuxSE shall publish relevant information for each Financial Instrument, and
- Any other benefits that may be granted by LuxSE at a later stage.

LuxSE will monitor on an ongoing basis that the Market Maker complies with its obligations under the Agreement. The Market Maker will be informed on its daily and/or monthly compliance with the requirements as set out in the Operational Terms by mean of a dedicated report (T+1) sent by LuxSE outlining performance vs criteria per Financial Instrument.

5. ALTERATION AND SUSPENSION OF MARKET MAKING RIGHTS AND OBLIGATIONS

5.1 Occurrence of Exceptional Circumstances or Stressed Market Conditions

In the event Exceptional Circumstances happen, the Market Maker's obligation to provide liquidity (and any benefits that may accrue to the Market Maker as result thereof) shall be altered or suspended in accordance with the provisions of the relevant Market Making Scheme or where otherwise detailed in this Agreement. Upon the occurrence of Exceptional Circumstances, LuxSE shall notify the Market Maker as soon as reasonably practicable and the rights and obligations of the Market Maker shall be suspended or altered (as the case may be and in accordance with the relevant Market Making Scheme document) or, where not specified, for a time period to be agreed between the Parties.

Upon the occurrence of Stressed Market Conditions, LuxSE shall notify the Market Maker as soon as reasonably practicable and the rights and obligations of the Market Maker shall be suspended or altered (as the case may be and in accordance with the relevant Market Making Scheme document) or, where not specified, for a time period to be agreed between the Parties.

The above provisions in relation to Stress Market Conditions do not apply to those market making arrangements which are not subject to a Market Making Scheme.

5.3 Immediate suspension

The rights and obligations under the Agreement shall be suspended immediately and without any further act or formality, in case of:

- Breach of either Party's contractual obligations arising from this Agreement (in accordance with the termination conditions set forth below);
- Suspension or loss of the Market Maker's status as Member of the Market on which the Financial Instrument is listed;
- Material malfunction, disruption or interruption of the Trading Platform; and

6. USE OF TRADEMARKS

The Market Maker hereby grants LuxSE a non-exclusive, transferable, royalty-free licence to use any of its relevant commercial references (e.g. logo, trademarks) and/or brand names (collectively the "Trademarks"), to the extent necessary for LuxSE's regulatory obligations relating to the publication of the identities of the participants associated with any Market Making Scheme. LuxSE is also authorised to use the Trademarks for any promotional activity in respect of the supply of the Market Making Activity including, amongst others, references to, inter alia, the Market Maker's volumes of business and quality of quotation.

7. TERM AND TERMINATION

7.1 Duration

The Agreement is deemed to take effect at the date specified and subsequently confirmed by LuxSE. The Agreement is made for an indefinite period unless otherwise specified in the relevant Market Maker Scheme or elsewhere in the Agreement.

7.2 Termination

Either Party may terminate the Agreement in whole or in part (i.e. in relation to specific Financial Instruments) at any time by giving a 30 (thirty) days written prior notice (or any shorter period as agreed between the Parties).

The Agreement shall automatically terminate in the event the Market Maker ceases to be a Member of the Market where the Financial Instruments are admitted, for any reason.

7.3 Specific termination

In case the Market Maker does not comply with the requirements of the Operating Terms during a period of 3 (three) entire months during the same calendar year (whether in a row or on a cumulative basis), LuxSE will withdraw the Market Maker status of the Member in connection with the relevant Financial Instrument(s) for the rest of the current calendar year.

For the avoidance of doubt, the application of the above procedure will not impact the Market Making Activities carried out in connection with the other Financial Instruments and for which the Market Maker has complied with its obligations. Once the Market Maker has lost its market maker status for all Financial Instruments, it will become a normal trading member.

8. FEES AND PAYMENT

8.1 Fees

In accordance with section 4.2, LuxSE shall verify that the Market Maker has complied during the previous month with its obligations under the Agreement. No trading fees will be due for the Market Making Activities performed in relation to the Financial Instruments if the monthly check made by LuxSE shows that the Market Maker complied with its obligations under the Agreement.

If it appears that the Market Maker has failed to act in accordance with the requirements of the Agreement, a fee per transaction will be charged for all transactions made during the relevant period. Such fee is defined in the Fee Schedule published on LuxSE's website.

In the event a Member stops being a Market Maker in the circumstances described in section 7.3 above, a MAC will be charged to the Market Maker in accordance with the Fee Schedule as published on LuxSE's website.

Any objection shall be raised in writing and addressed to LuxSE (invoicing@bourse.lu) within the 30 (thirty) days following the date of the invoice.

In the event any amount remains unpaid for more than 30 (thirty) days after the invoice date, LuxSE may, without further act or formality, charge late payment interest at the legal rate applicable in Luxembourg for commercial matters, except when the non-payment of the outstanding amounts results from a good faith dispute.

Interests shall be calculated from the date the invoice has become due and payable. The application of late payment interests as stated above is without prejudice to any other right or remedy that LuxSE may have under this Agreement or the applicable law.

When any payment remains outstanding for a period of more than 90 (ninety) days after the invoice is issued, and in the absence of any good faith dispute, LuxSE reserves the right to suspend the Services with prior notice.

When any payment remains outstanding for a period of more than 10 (one-hundred and twenty) days after the invoice is issued, and in the absence of any good faith dispute, LuxSE reserves the right to terminate the Agreement without further act or formality.

The application of the above rights by LuxSE is without prejudice to any other right or remedy that LuxSE may have under any provision of the Agreement or the applicable law.

8.4 Revision of fees

LuxSE may vary any fees applied under this clause from time to time. Any application or variation of fees under this clause shall not have retroactive effect and will be communicated to the Market Maker within a reasonable period of time in advance.

9. MODIFICATIONS AND IMPROVEMENTS

Through the transmission of an Updated List (as defined in the Registration Form), the Market Maker may request to start or to resign from Market Making Activities on one or more Financial Instrument(s) on the relevant Trading Platform.

LuxSE reserves the right to make any modifications or adjustments related to the Agreement from time to time on one month's written notice to the Market Maker.
